

St. John Health Systems ICU Renovation

Moross Campus, Detroit, Michigan

- *Project goal to improve the nurse stations and overall aesthetics of 3 separate ICU units using the client's existing standards.*
- *The finishes were selected and placed to achieve a clean, calming spa like experience to help the patients and their visitors to feel relaxed in an effort to speed recovery time and overall hospital experience without hindering the needs of the staff.*
- *Finishes*
- *Furnishings*
- *Custom Millwork Design*
- *Lighting*
- *Furniture*
- *Art work*
